- Local expertise for European coverage, multiple languages represented within the team

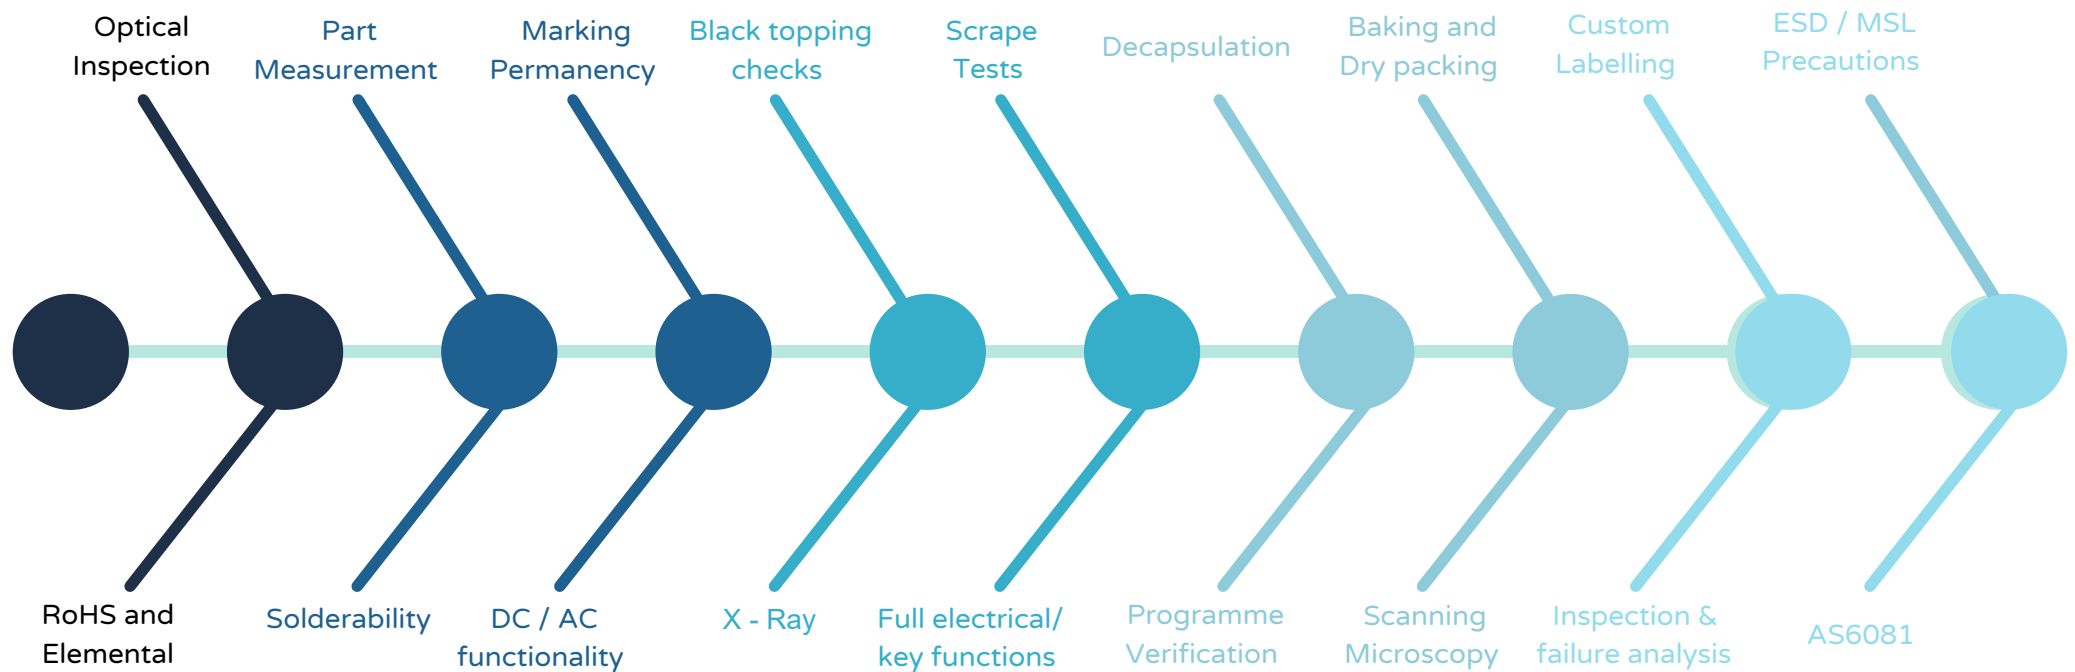

Our Quality Approach

Quality

- ERAI membership
- ISO 9001 accredited
- Affiliation with Market Leading Test Houses for AS6081 & AS6171 testing and beyond
- Components are fully barcoded as they progress through our process
- Warehouse imagery of supplier unpack and despatch
- MSL provision and vacuum seal as appropriate
- Proactive supply chain scoring and validation

Our in-house inspection and test

External Testing and value-added services

Whenever you make a purchase with Cyclops, you will be protected by our One-Year Quality Guarantee.

Should parts fail to meet the manufacturer's specification within a 12-month period we will either ;

- Replace the part free of charge
- Or
- Refund the original purchase price

Every component that passes through our business undergoes rigorous inspection procedures.

We are committed to delivering quality in all that we do.
